

Is there any harm in not having my limestone floor restored right away?

Article Number: 52 | Rating: Unrated | Last Updated: Wed, Jul 15, 2020 at 1:04 PM

Q. Is there any harm in not having my limestone floor restored right away?

A. If you are considering restoration, the cost would be a lot less to fix a small area rather than waiting until the entire floor is in need of work. Contact your professional stone and tile restoration contractor. If you do not have a PRO, [contact us](#).
